

## Restaurant

Be our guest and enjoy a family atmosphere! In our restaurant with additional dining room we serve exclusively Franconian delicacies. Our chef Hedwig freshly prepares all the dishes – naturally using seasonal ingredients from the region! Our large menu offers something for every taste.

Particularly recommended throughout the year are our carp dishes, including boneless fillets, which come from our own pond. The perfect accompaniment is a Franconian beer or a drop of fine Franconian wine – Guten Appetit!

**Essen a la Carte Abend von 17.30 bis 20.00 Uhr**
